EXECUTIVE SUMMARY

My name is Arvind Bishnoi , I'm 22 year old and I recently pre-final student at IIIT Una with B.tech in computer science while there , I learned a lots of theory as well practical knowledge. I was also maintained a GPA of 8.24 .I tend to be teamwork-oriented and reliable, as I've never missed a deadline. I'm also proud of my ability to preserve and overcome any challenges as they come up.
